

Ginger Treanor, CIC, AAI, AU, AIS
Senior Ordained Chaplain, I.F.O.C.

Upon departing from her 40 year insurance career in 2018, she has found ways to serve others in her volunteer work by becoming a Senior Ordained Chaplain under the I.F.O.C. She volunteered with S.A.P.D. HOPE Team restoring I.D.'s for the homeless. In 2022-2023, She served as Chaplain to 30-35 girls seeking recovery from their addiction each Sunday during Sunday School at Trinity Baptist Church. And returned to employment in insurance this year.

In her homeless ministry she started a Homeward Bound ministry in her Church, led the Faith Based Ministry for Hunger & Homelessness in district 3, and started the Convening of the Faith Based Ministries to unite, collaborate, and communicate with others helping the homeless. And this month, she started a new grief group in her church.

A year ago, she formed her 501c3 non- profit; **One Pill Kills ~ Brooke Keith Commission**, in honor of her daughter; Brooke, whom passed away from Fentanyl Poisoning in 2021, 2 days out of rehab.

Her passion is bringing awareness to the community about the Fentanyl pandemic. Speaking in schools, various events, D.E.A. Parent Fentanyl Opioid Summit at Texas State University, and the Bexar County Behavioral Health and Wellness Conference this past year. She launched the first Fentanyl Awareness Walk at Brooks City Base; Soles Walking for Souls.

She serves on S.A.V.O.A.D. (San Antonio Voluntary Organizations) active in disaster relief. She has led the following walks in her church under the team; Brookhill Holy Walkers, Relay for Life Cancer, Alzheimer's, NAMI and Suicide Out of Darkness Walk. She is currently on the Alzheimer's walk committee alongside Mike Canales.

She recently celebrated her 45th Wedding Anniversary to Pastor Aaron Treanor of Brookhill Baptist Church. And she absolutely loves her daughter Sierra, husband Travis and two grandkids Brynn and Barrett of Corpus Christi.
